

Humber Valley Meeting Announcement

Wed Feb 1st 2017 @ 7:00pm
Weston Golf and Country Club

Wadsworth Room
50 St. Phillips Road, Toronto ON M9P 2N6

Please note our new meeting location. This is a first class facility with large meeting rooms, a convenient location just south of the 401 at Weston Road and lots of parking. If you come via the 401, drive south on Weston Road and keep right on St. Philips Road. Then keep a close watch for the entrance on the right past some tall hedges. It kind of sneaks up on you! Then keep to the right and park in the lot at the rear of the building. The main entrance is right off the parking lot. The Wadsworth meeting room is straight ahead on the left. **Feel free to bring a friend.**

Snacks and soft drinks will be served. Hope to see you there!

Reminder - Feb Frozen Finger Fun Fly!

Call for Proxies for the AGM!!!

In case of bad weather and poor turnout the night of the AGM, we are asking that if you do NOT plan on coming to the AGM please send in your proxy to any member attending who you trust to vote for you. Our constitution allows proxies to be sent by email, fax or letter. To select one of the following to vote for you, send the email text below to either:

Val Oddo (stepsahead@hotmail.com), or
Bruce Gillespie (peterredtail@yahoo.ca).

Paul McMillan and Tom Gottlieb regret that they will be out of town on Feb 1st and cannot accept proxies.

Simply email, fax or write a letter that says the following:

This will allow <enter name of your proxy> to vote on my behalf on all matters at the Humber Valley Radio Control Flyers Annual General Meeting to be held Wednesday February 1st, 2017 at the Weston Golf and Country Club, 50 St. Phillips Road, Toronto ON M9P 2N6.

New Year's Day Fun Fly Report

We had a picture perfect blue sky day for the New Year's Day Fun Fly but still only about 6 brave members showed up to fly. I guess there was a little more celebrating on New Year's Eve this year so getting up early was a bit of a challenge. Nevertheless we had a collection of airplanes - big and small that tested our ability to fly in cold weather. Hope to see you next year.

Airplanes of all sizes came out on New Year's Day

Indoor - 5 flying days Left @ York U.

We love the indoor flying at York University. Come out and enjoy the fun. See the January and previous Flyers for map and details.

Almost anything can fly these days in our huge indoor space.

This panoramic view shows you how big our indoor space is!
