

## Humber Valley's Meeting Announcement Tuesday Nov 3<sup>rd</sup>, 2009 @ 7:30pm

Here's how to get there: From the 401 East or West, exit at Keele Street North. Turn right on Sheppard Ave, and follow

Sheppard to the entrance to Downsview Park. Turn right into the park onto John Drury Lane until you reach Carl Hall Road. Turn left at Carl Hall and continue east over the railway tracks to the museum, which is on your right.

Tue Feb 2 <sup>nd</sup>	Club Meeting <ul style="list-style-type: none"> <li>• Executive Elections</li> <li>• Annual General Meeting</li> <li>• Wings Award Ceremony</li> </ul>

## November Meeting Program Announcement

Zoltan Pittner from New Generation Hobbies will be conducting a demonstration of new products and especially the latest First Person View (FPV) systems and equipment. FPV uses a wireless transmitter/receiver that allows the user to see what the aircraft sees. In short it puts you in the pilot seat.

There was some discussion at the October meeting of noise guidelines published by MAAC and stated in our field rules. These will be clarified and discussed at the November meeting with a demonstration of acceptable noise levels by Rocco Vita.

## Free Pizza at the next Meeting!

There's nothing like good food to ensure a good meeting and the Humber Valley Pizza Club is going into its 5<sup>th</sup> year now due to popular demand. No time to stop in for dinner before the club meeting? No problem! Just come to the meeting hungry. Better get there early though, before the mad rush, to make sure you get the best selection.

## What should we do with Humber's Eagle 2?

This has been the second season for our spare trainer which was put together by Peter Heeley. The plane donated from a retired member and engine and radio from Tom Gottlieb's surplus equipment. The plane is in top shape and flies great. So what's the problem? It was used only once or twice all season and spent the whole summer in the shed. Let's discuss what to do with it at the November meeting. Tony Phan, Chief Instructor suggests selling it and using the proceeds for club events. A \$300 price has been suggested. Or should we donate it to a good cause?

## 2009 Renewal Reminder

This year's membership applications will be available at the November meeting. Please note that there will be no early bird renewal rate this year. **However, we will raffle one free membership refund from among all renewals received before December 31, 2009.** The early bird rate was introduced 2 years ago and was designed to reflect a small surplus of club funds at the time. It was understood that as long as we had a healthy surplus, we would extend these savings to the club membership. This year's purchase of the new club mower has used up that surplus, so we will be suspending the early bird fee. We will reassess the budget again in the fall of 2010 and will decide then if we can reintroduce the early bird renewal for the 2011 year.

Please make sure to complete a 2010 membership form, and include all information, as this makes it easier to process. You must also sign and date it, as this is your contract with the club that assures you understand and will abide by all club rules.

If you include your MAAC card, or a photocopy of it, I can laminate it along with your membership card for 2010 which will be mailed out at a later date. PLEASE make sure to mail or hand deliver your form and dues directly to me. Do not pass it on to someone else, or it may significantly delay its processing, or even worse, get lost. If you plan to renew at the November meeting and plan on paying by cash, please make sure you have the exact change.

... Dan Paluzzi, Treasurer

## Program Report: Humber Valley's 2<sup>nd</sup> Freaking Fall Float Fun Fly Fantasy & Food Fest (FFFFFFF)

Thanks to **Dave Niblett** and his wife for hosting Humber Valley's second annual Float Fly at Lake Rosseau. The weather held out with rain only in the late afternoon, and with a great selection of planes that made the trip, we sure had fun. There was a great BBQ with ribs, wings, Italian sausages on a bun, potato salad, cheese and crackers, with a cooler full of cold drinks and carrot cake for desert to top it off. Dave has invited us up for next year's event around the same time again.

Dave, from the all of the Executive of Humber Valley to you and your family we thank you for this special day that you made possible for us.

... **Rocco R. Vita**, Program Director

**ADMISSION:** ADULTS - \$15.00, KIDS under 14 - \$11.00

But you can download a \$3.00 discount coupon at:

<http://www.thehobbyshow.com/webticket.pdf>

## Chief Instructor's Report – Tony Phan

Sadly we have reached the end of the Student Wings Program for 2009 but **Tony Phan** provided an update at the October 6<sup>th</sup> meeting. Tony emphasized the safety of the program and vowed to ensure that pilots are not cleared until they are ready and can fly safely. We had another successful year and are happy to report that the club cleared 9 new pilot members. This is the most number of new pilots ever. Congratulations to all the following members who cleared this year:

- Stefan LaFarciola
- Richard Kirchknopf
- Salvador Samayoa
- Roger Reynolds
- Ben Starway
- Patrick Dimanche
- Jesse Visser
- Peter Iacobucci
- Juan David Vera

Note: If you were cleared this year and are not on this list please contact Tony Phan to correct the list.

Those who cleared are reminded there will be a presentation ceremony at the Annual General Meeting on Tuesday February 2<sup>nd</sup> 2009, so watch the Flyer for the Wings Awards notice and please try and attend to receive your official Wings.

My thanks are extended to all who participated in the instruction program this year, especially the club instructors who, once again, did such a splendid job.

... **Tony Phan** – Chief Instructor.

## Your 2009 Executive
